

EDDP 2010

International Conference on Early
Disease Detection and Prevention

February 25-28, 2010, Munich, Germany

International Conference on Early
Disease Detection and Prevention

EDDP 2010
**International Conference on Early Disease Detection
and Prevention**
February 25-28, 2010, Munich, Germany

EDDP Latest News:

**EDDP 2010 Conference has been accredited by the
European Accreditation Council for Continuing Medical
Education - EACCME.**

The EDDP Conference is designated for a maximum of (or 'for up to') 18 CME credits.

EACCME credits are recognized by the American Medical Association towards the Physician's Recognition Award (PRA). To convert EACCME credit to AMA PRA category 1 credit, contact the AMA.
