

CALL FOR ABSTRACTS

SOUTHERN AFRICAN HYPERTENSION SOCIETY

BIENNIAL CONGRESS

A Lifecourse Perspective on Hypertension

14 - 16 August 2026 | SANDTON

18 Clinical & 2 Ethics CEU's

The SAHS Biennial Congress 2026 offers researchers the opportunity to showcase their research and the experience of presenting, defending, and discussing their work in front of an encouraging and competitive audience of mentors and peers.

The Southern African Hypertension Society (SAHS) invites all students and researchers to submit abstracts related to, or within, the field of Hypertension. For the SAHS Biennial Congress 2026, the Theme is: “Lifecourse Perspective on Hypertension: Emerging Technologies and Evolving Therapies.” Researchers are encouraged to submit work that aligns with this theme and contributes to advancing knowledge, innovation, and clinical practice in hypertension across the Lifecourse.
