

CALL FOR ABSTRACTS

**ABSTRACT SUBMISSION DEADLINE EXTENDED
TO
13 OCTOBER 2025**

SAHS NextGen 3rd Virtual Spring School

13 November 2025

08:00 – 16:45

Hypertension and Cardiometabolic Health in Sub-Saharan Africa: A Focus on Prevention and Treatment

The SAHS NextGen aims to create a hypertension network among devoted Southern African researchers representing the next generation hypertension specialists.

The SAHS Next Generation Virtual Spring School invites all students and researchers to submit their work and gain valuable experience presenting, defending, and discussing their research in front of a supportive yet competitive audience of mentors and peers.
